

## LEGACY SOCIETY

Make your mark on the future with a gift that will benefit generations to come. Touch the future with a bequest, deferred or endowed gift to The Community Foundation of North Louisiana.

A legacy gift is more than a donation. It reflects your values. It is a gift made with trust. It provides a vehicle to respond to changing needs of the causes you care about most while providing a steady stream of support. Working through The Community Foundation takes the worry out of giving. You know we'll be here to manage your gift, ensuring that it remains a source of joy, opportunity and support for generations to come.

### **Experience.**

The Community Foundation of North Louisiana is the oldest community foundation in the State of Louisiana. We have been a trusted partner for generations of families in our area. Since 1961, we've helped children and grandchildren carry out their families' giving traditions while making a charitable impact of their own.

### **Flexibility.**

We can help structure a gift to meet your charitable goals. Your gift can provide support to several charities, or just one. The Community Foundation welcomes all types of gifts including securities; illiquid assets, real estate, insurance and retirement plan assets. Even if you can't make a gift today, you may be able to provide for a generous gift in the future. Whether you make a simple bequest in your will or develop a comprehensive estate planning strategy, we can help you create a planned gift that fits your interests and financial means.

### **Trust.**

A volunteer board of community leaders, a thoughtful and expert staff, proven asset management, grantmaking expertise, and above all, a knowledge of and commitment to our community, ensures that your charitable gift will be carefully invested and administered according to your wishes.

### **Peace of Mind.**

When you are thinking about a gift that will last well beyond your lifetime, there are special considerations. By giving through The Community Foundation, you can be assured that

- Your gift will be carefully invested and administered. Distributions will be made according to your intent.
- You can accomplish all of your charitable goals by supporting multiple charities or causes with a single gift.
- Your family members can be involved in continuing your philanthropic traditions.
- Your gift will continue to make a difference.

**By joining the Legacy Society, you make a statement to the community  
that you believe in its future.**
